Dear Fergus,

On behalf of Great Ormond Street Hospital Children's Charity, thank you so much for generously supporting the Valentine's Party, Big Hearts for Little People, on Sunday 5 February 2017. It was brilliant having High Society staff there on the day, they were a pleasure to work with.

The event was a huge success and I am delighted to confirm that we raised over £180,000, enabling us to complete the campaign's three-year £500,000 target. This is a wonderful achievement and would not have been possible without the support of generous individuals and companies such as yourself.

All the money raised from the Valentine's Party will fund vital redevelopment, including new en-suite bedrooms and equipment for the new unit, due to open later this year. These new state-of-the-art facilities will make cramped and outdated wards a thing of the past, providing privacy and dignity for patients and their families at what can be an extremely difficult time.

Thank you again for your support for Great Ormond Street Hospital Children's Charity. If you have any questions about the event or the charity, please don't hesitate to contact me on 020 3841 3063 or email valentines@gosh.org

Yours sincerely,

Mika Brenan
