Dear Fergus, Tallulah and the High Society team

On behalf of Great Ormond Street Hospital Children's Charity, thank you so much for generously providing staff for the Valentine's Party, Big Hearts for Little People, which took place on Sunday 4 February 2018.

The event was a huge success and I am delighted to confirm that we raised £211,115 towards our campaign's three-year £750,000 target. This is a wonderful achievement and would not have been possible without the support of generous companies and individuals such as yourselves.

All the money raised at the Valentine's Party will go towards a new specialised building for Sight and Sound at Great Ormond Street Hospital (GOSH). Children with visual or hearing impairments make up the largest outpatient group at GOSH – with an average of over 2,900 patient visits each month from across the UK. Although they are already receiving world class care, the new, highly specialised facilities will help to dramatically improve their overall experience of coming to hospital.

Thank you so much again for supporting The Valentine's Party, Big Hearts for Little People, in aid of Great Ormond Street Hospital Children's Charity. If you have any questions about the event or the charity, please don't hesitate to contact me on 020 3841 3222 or by emailing me.

Yours sincerely,

Freya Hill
